

Say Goodbye to Loadshedding HUAWEI POWER-M

Active safety | Seamless switchover | Silent & sleek design

Supplementary power supply, uninterrupted power

Sleek design

- Exquisite frosted texture
- Slim as 16 cm aluminum alloy enclosure

All-in-one and modular

- Integrated high-density design
- 5 kWh to 45 kWh batteries configured as required
- Easy capacity expansion and flexible budget

HUAWEI POWER-M

Lighting Up Your Home

Uninterrupted
Power Supply

Superior/Premium
Experience

Advanced Safety

Seamless switch over

1.5 x overload capability

<= 20 milliseconds switching

Fire protection included

Silent operation

IP66 protection level

For your villa, house or apartment

Seamless energy switchover

- <20 ms switchover
- Uninterrupted experience

Sleep-grade noise

- Fanless construction
- <29 dB Operating sound level

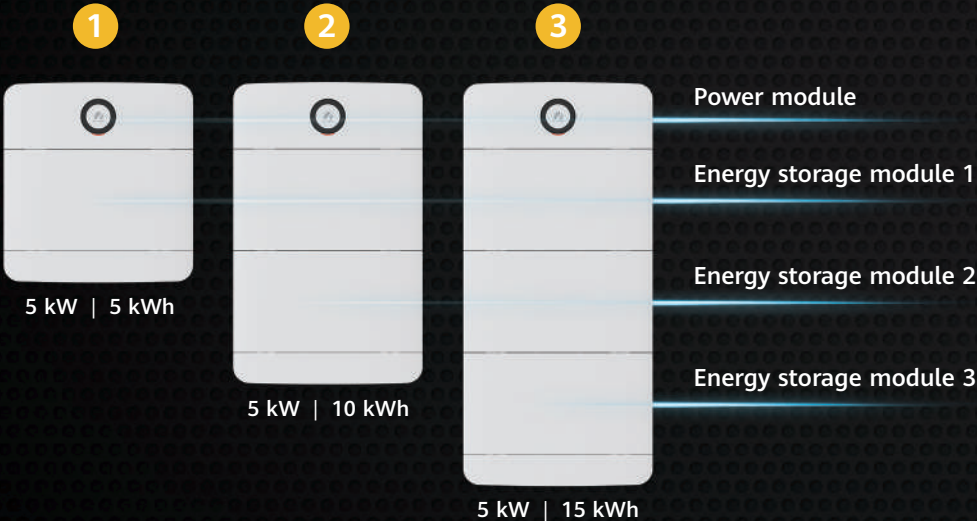

Easy and quick installation

- Within one-day functionality

Modular architecture, smooth expansion
